## STATE FINALS - UTE MUSTER COMPETITION CONDITIONS OF ENTRY

### PRINCIPLES OF THE COMPETITION

The State Ute Muster Series is a competition conducted State-wide by Affiliated Show Societies:

- to raise interest within the community;
- as an added attraction at the Show; and
- to develop the contact between city and country.

The Competition also provides incentive for enthusiasts to exhibit their vehicles and support their local community.

The Seven (7) nominated Classes are:

- |               |                |
|---------------|----------------|
| 1) Street Ute | 4) 4x4 Ute     |
| 2) B & S Ute  | 5) Work Ute    |
| 3) Chicks Ute | 6) Feral Ute   |
|               | 7) Classic Ute |

Sub-Chamber Finals are held at eleven (11) selected centres around the State based on the geographic boundaries of the Societies.

Winners from local Shows proceeding to Sub-Chamber Finals will compete under the same format.

Winners of each class will be eligible to proceed to the State Finals held each year.

The State Champion and Reserve Champion are judged from a possible eleven (11) vehicles in each Class with an Overall Champion and Overall Reserve Champion selected from a combination of all entries.

### RULES AND REGULATIONS

These Rules apply to **Local, Sub-Chamber** and **State Finals**.

It is important that the "characters" of the Ute's drivers and owners are readily accepted, as the overall event is to recognise the true "identity" of the Aussie Ute.

It is accepted that some Show Societies already host "Ute" competitions. These Societies can maintain their traditional competition. Should these Societies wish to participate in the QCAS State Ute Muster they **MUST** include the QCAS Classes in their competition.

Show Societies wishing to introduce the QCAS State Ute Muster Series to their Show Program are required to abide by these Rules and Regulations.

**PLEASE NOTE:** Many local Show Societies have run their own Ute Show Competitions for many years and sometimes with many, varied and imaginative Classes. Normally these Societies arrange their own sponsorship with local business houses and often provide cash prizes as well. The State Competition in no way detracts from this effort, but in effect enhances the attraction. HOWEVER, for entrants to proceed through the State Competition, they must meet the criteria, nominate, and be judged in one of the seven (7) Classes as listed above.
